

## Undergraduate Admission Requirements For International Students

To be considered for undergraduate admission to a Lakeland College, an international applicant **MUST** submit:

1. **Official** transcript of your high school studies and/or of college studies (all post secondary education). If you have at least one year of full-time college studies, your high school transcript is not required. **If the documents are written in a language other than English, complete and certified true English translations must be furnished together with the official documents in that language. Photocopies or other copies must be certified true.** All academic transcripts must be signed by the appropriate school or government official and must include the seal of the school or the government.
2. Minimum **500** on the Paper-Based TOEFL, **173** on the Computer-Based TOEFL or **61** on the Internet Based TOEFL (iBT) is required. The test must have been taken within the previous two years. If your TOEFL score is not up to the minimum, or if you don't have a TOEFL score, you may apply for admission to the Lakeland College English Language Institute (ELI). Lakeland College's code is **1393**. IELTS scores of 6, satisfactory O-Level or A Level results could replace the TOEFL requirement.
3. A check or money order of U.S. \$20.00 to pay for the mandatory application fee. The check or money order must be made payable to Lakeland College.
4. International Student Certification of Finances: Your application must be accompanied by certification that sufficient funds will be available to meet both your living and tuition expenses while attending Lakeland College. Refer to the **Confidential Financial Certification** (pink sheet) for details.
5. Your most recent photo (37mm x 37mm).
6. If you are currently in the U.S, please enclose **(a)** a copy of your passport and visa page(s), **(b)** a copy of your I-94 Card, **and/or (c)** a copy of your current I-20 or IAP66.

Your application for admission and supporting credentials should be filed as early as possible to allow sufficient time to process your application, get your visa, and arrange for transportation. The information and the documents you provide will be carefully examined. Please submit the above documents to:

LAKELAND COLLEGE
