milwaukee@lakeland.edu

Sheboygan Center

800.569.2166
sheboygan@lakeland.edu

The Lakeland College communication Bachelor of Arts (B.A.) degree goes beyond the traditional study of communication to offer a unique curriculum that accentuates the growing role and impact of new media. Courses taught by experienced instructors prepare students for a wide array of careers including public relations, journalism, web content creation and analysis, public policy research, marketing, human resources, corporate communications, labor relations and speechwriting. The program emphasizes hands on learning to help develop a better understanding of the Internet, social media, up-to-the-second journalism and much more.

Upon completion of the requirements for the Bachelor of Arts degree through the Lakeland College evening, weekend and online program, degree-earning students will have

- earned at least 120 semester hours of college credit, with a minimum of 30 semester hours having been completed through Lakeland College;
- satisfied the requirements of at least one academic major;
- completed the General Studies requirements; and
- maintained a cumulative 2.0 grade point average in both the major and in all coursework taken through Lakeland College.

The Lakeland College evening, weekend and online program's liberal arts component enables students to develop the necessary skills and knowledge to communicate clearly, inquire methodically, evaluate rationally and reason validly. These skills are developed through courses in:

- Distributional Studies, which develop knowledge in areas outside the major; and
- Interdisciplinary Studies, which encourage the integration of knowledge and values.
